Introducing Monti Linen by Tessitura Monti India

The Interplay of textiles, textures and colors is significant in shaping a mesmerizing look. We at Tessitura Monti India are introducing a collection inspired by the beauty of nature - 'Botanical Treasure'. The design for this collection is motivated from the beautiful mountains, forests, oceans, beaches and the intriguing flora and fauna.

Each design is curated with a purpose, comprehensiveness, liveliness and a contemporary flair. Our Linen fabrics have a natural texture, are breathable and versatile.

We at Monti Linen use only European Flax which comes from France and Belgium. And have a capacity to weave 10's Lea count to 130's Lea count, creating exceptional designs and quality committed to delivering Italian standard fabric.

Find the World's finest and most luxurious Plain, Printed, Yarn Dyed, Jacquards and Embroidered Linen fabric. Dive into the world of Monti linen and experience the Historical Significance, Versatility, Sustainability and Appeal.

**Sustainability:**

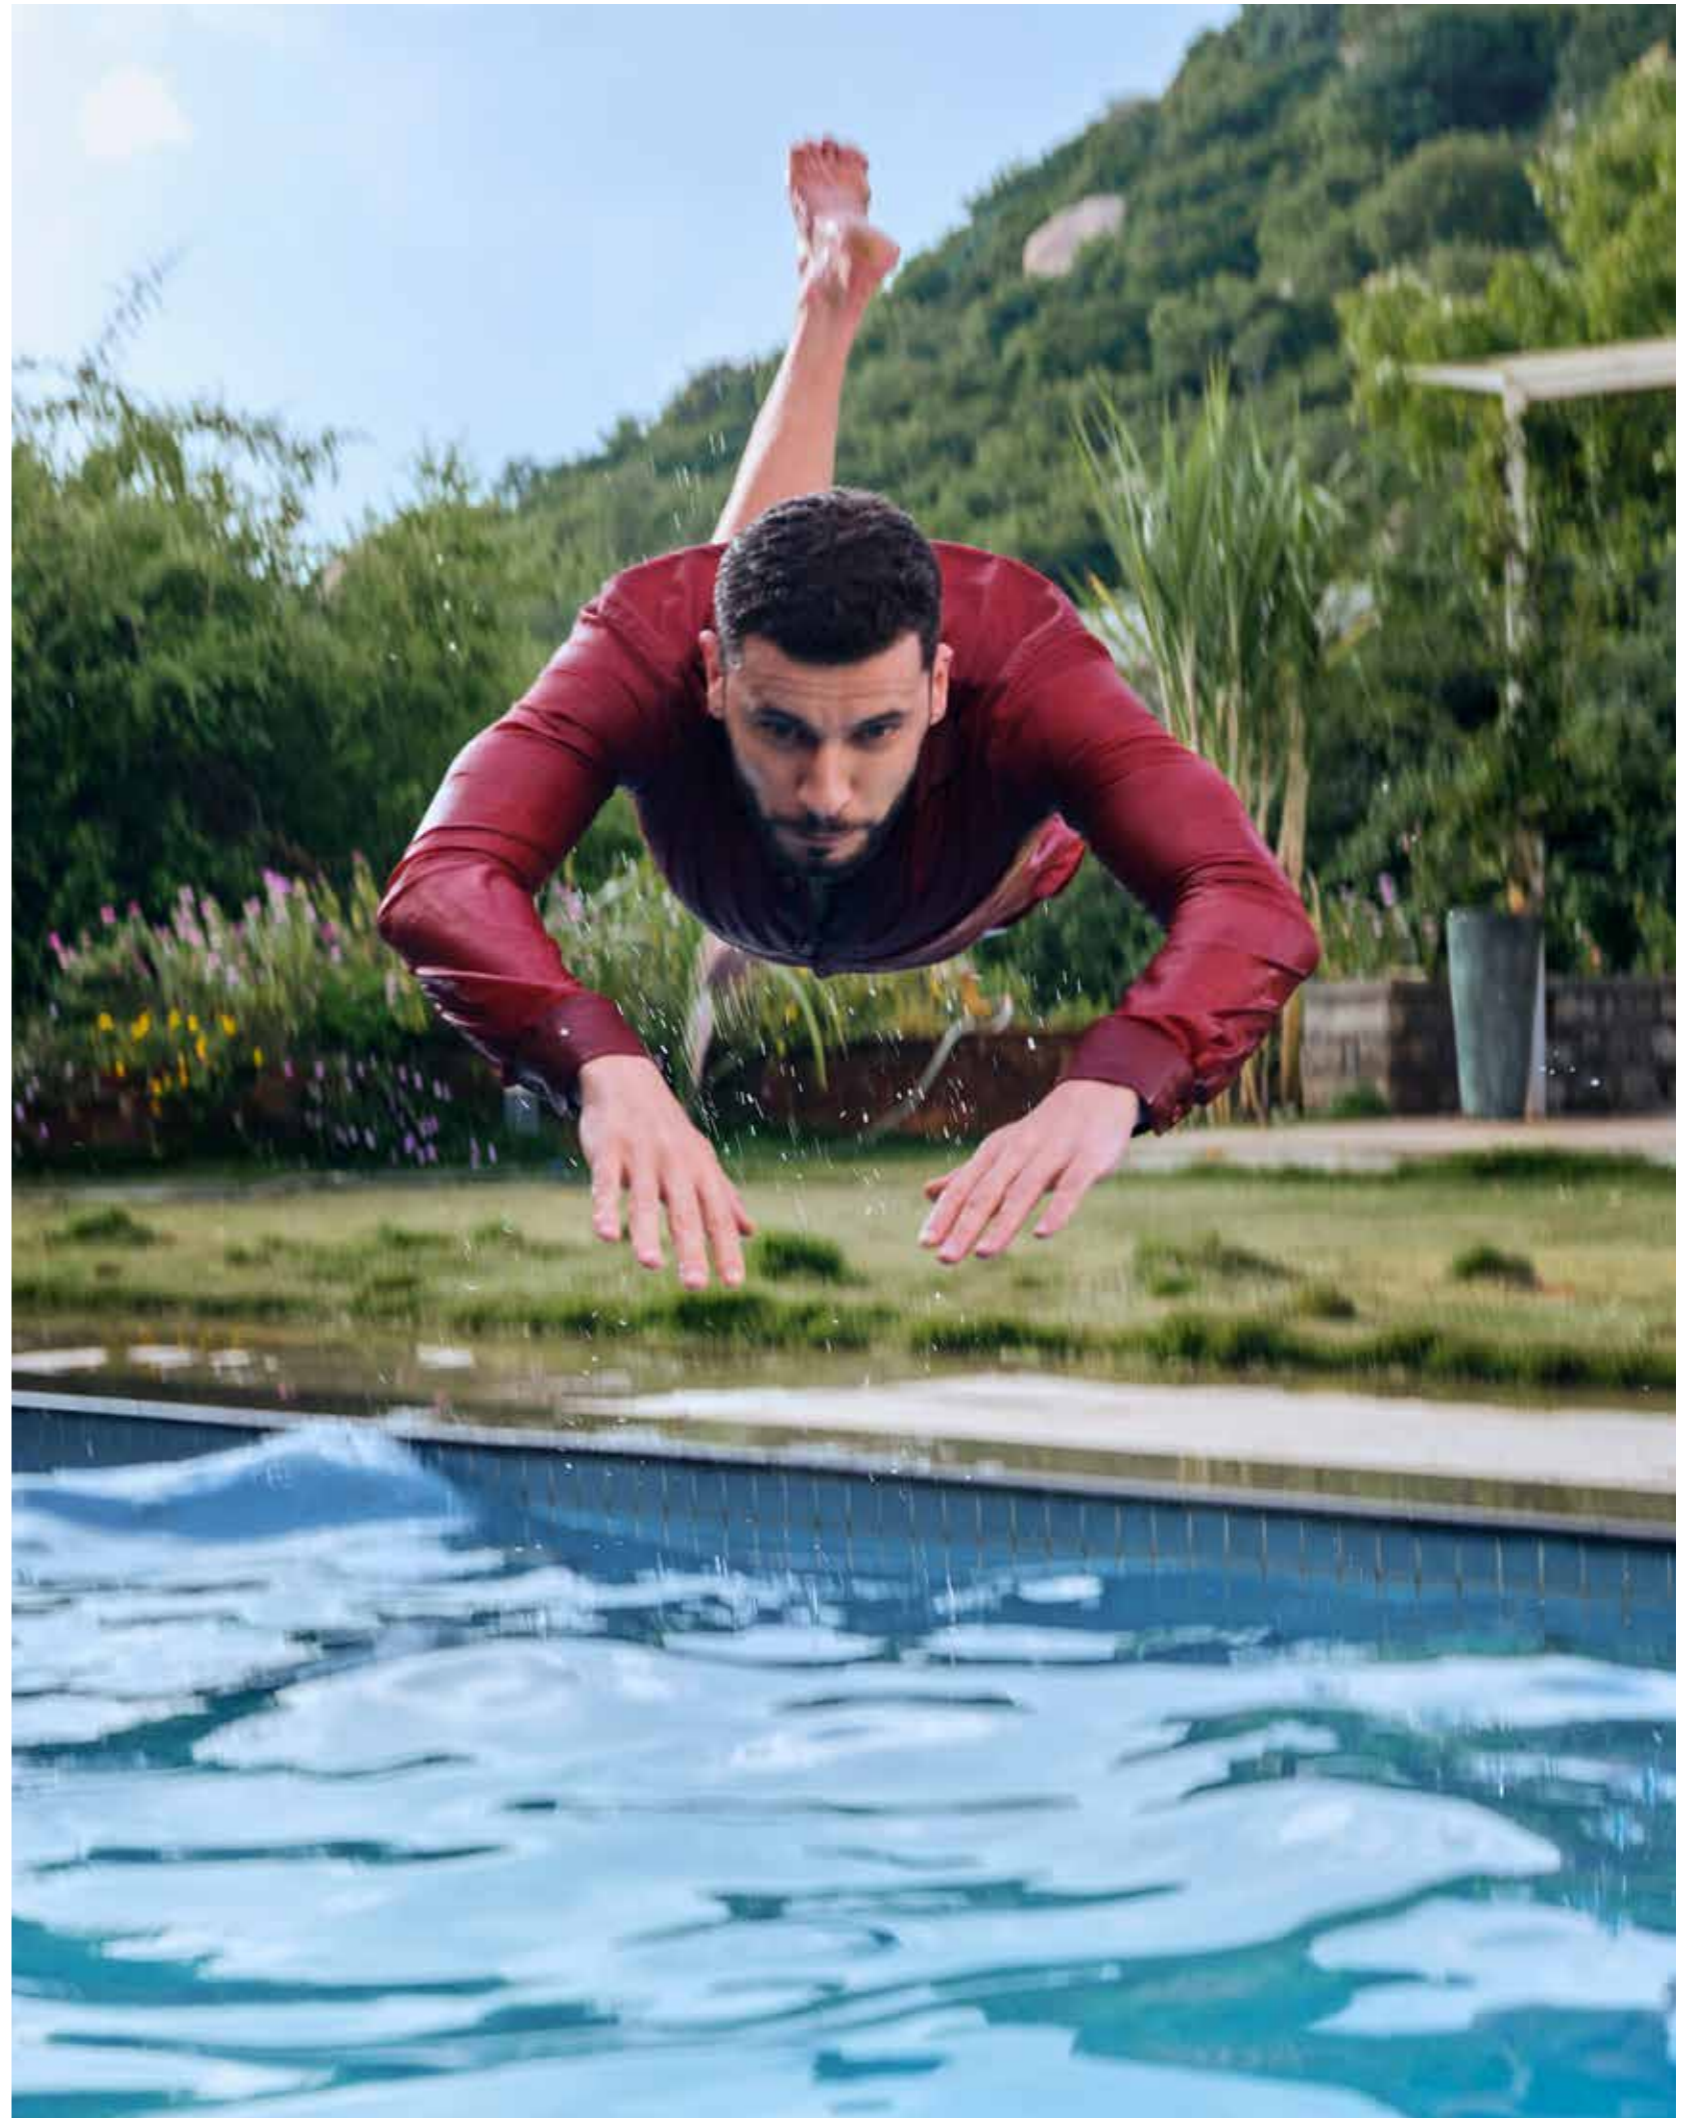

In today's world, linen continues to shine as a symbol of sustainable fashion and responsible consumerism. It's eco-friendly cultivation, biodegradability and longevity make it a favored choice among environmentally conscious individuals seeking to reduce their carbon footprint and support ethical practices in the textile industry.

We source linen raw material certified by European Flax.
